

RACE FOR LIFE 2011

Jane Marland (Director), Debbie Small (Accountant) and Claudia Alderson (Admin Manager) at HRJ Law and friends put weeks of training to the test on Sunday 24th July 2011 when they all ran 10k for the **Race for Life 2011**, cheered along by family and friends.

On a hot sunny morning the 3 ladies joined thousands of women at Fairlands Valley in Stevenage to take part in **The Race For Life 2011** which is one of many events held throughout Britain in support of Cancer Research. The event follows a course around the Lakes at the Valley and is an emotion filled day with many running in memory of loved ones that have been affected by Cancer or have experienced it first hand, all raising money for this excellent cause.

Well done to all who ran and took up the challenge of the 10k.
